

# Antimicrobial Hand Foam Soap

The Hygiene Revolution™

Byotrol is a hygiene revolution. Its patented formula combines biocides in a way that amplifies their effectiveness, making them work longer and more gently than previously thought possible. **Byotrol Hand Sanitiser** is an alcohol free skin sanitiser that leaves a germ-fighting barrier on your hands for up to 6 hours.

<b>Description</b>	Colourless, alcohol-free hand foam soap.	<b>Sizes</b>	<b>Ready to Use:</b> 50ml Hand pump; 600ml Desktop pump 800ml Dispenser refill sachet; 5L / 25L / 210L / 1,000L
<b>MSDS</b>	B1959		

<b>Powerful</b>	Effective against most cleaning challenges.
<b>Long-lasting</b>	After rinsing, apply Byotrol Hand Sanitiser for residual protection.
<b>Gentle</b>	Byotrol does not strip away the skin's natural oils and does not lead to dermatitis, often associated with alcohol-based sanitisers.

<b>Application</b>	Hands.
--------------------	--------

<b>pH</b>	4-6
-----------	-----

<b>Ingredients</b>	Aqua, Coco Glucoside, Cocamidopropyl Betaine, Glycerin, PEG 7 Glyceryl Cocoate, Hydroxyethyl Cellulose, Polyaminopropyl Biguanide Hydrochloride, Tetrasodium EDTA, Active Ingredients <1%
--------------------	---

<b>Storage</b>	Store upright, away from heat, direct sunlight and out of the reach of children. Do not allow to freeze.
----------------	--

<b>Safety</b>	Avoid breathing any spray vapour. Keep away from eyes and inflamed skin. In case of contact with eyes, rinse with plenty of clean water. If accidentally swallowed, seek medical advice and show the product label. Do not mix with other products. Use biocides safely. Always read the label and product information before use.
---------------	--

<b>Directions</b>	Apply to dry hands. Massage-in well, especially between fingers and nails as per hand wash directions. Rinse-off with water.
